

DNTG Charm Incentive Program 2023-2024

The new DNTG charm incentive program was announced at the September coffee. The purpose of this program is to increase member participation in DNTG events. Members can earn charms during our fiscal year (June-May) by:

- Participating in any DNTG activity 12 times during the year
- Completing a workshop, education, program, or GCC project
- Bringing Show & Tell to a General meeting
- Posting on our Facebook Group
- Completing a **DNTG** annual Stitch-a-long or Sampler project
- Getting a new member
- Going to seminars / ReTreat
- And many more!

There are **22 charms** you can collect - and if you came to the September coffee, you are eligible for a bonus charm!

Charms will be awarded at the end of every General meeting. You cannot double dip! So, if you claim a charm for completing a workshop project, and it's also on your MAGIC list, you'll have to decide which charm you want. You may not get two charms for one project – or get multiple of the same charm. So, if you bring Show & Tell to every general meeting, you'll only receive one charm for the year.

How Do I Participate?

A card file will be at all General meetings. Cards are arranged by **FIRST** name. Blank cards are at the back.

- Find your card
- Indicate the charms you are eligible for each month
- List the name of the piece that qualifies for that charm
- Give your card to Dwana McKee

You will receive a **keychain** with your first charm.

A complete list of the charms and requirements are on the next page.

Other things to be aware of:

- ◆ MAGIC charms will be awarded in January
- ◆ ReTreat charms will be distributed at retreat
- ◆ The Sampler project this year is to stitch a Quaker sampler/motifs
- ◆ The Stitch-a-Long (SAL) project is the *Eye of the Peacock* scissor case and fob
