## From the President

I hope you and all our members enjoyed the summer and had a great time. My daughter's wedding in Guatemala had me very busy and I didn't have time to stitch, but we enjoyed being with friends and family and celebrating the wedding with them.

I'm very proud to announce that Paige Guillory got the region "Gold Thread award" that's given to outstanding members that have shared their time and talent to represent EGA's objectives. She will be participating among the recipients for other regions for the "National Gold Thread Award" at our National Seminar, that will be at the Hilton Anatole, Dallas, from November 12-16, 2025.

I want to share that Lisa Thompson got the DNTG Heart and Hand Award 2025, which is given to members that have been part of the chapter for 5 years and have contributed by being part of the Board, taking leadership roles, participating in classes, lectures, stitch in public, and other activities held by the chapter. Congratulations Lisa!!!

Please join us for the **Fall Welcome Coffee**, on September 11 from 10-12. Each chairman will be sharing information about the coming workshops, education classes, lectures, projects, 50th Anniversary celebration, etc. We will have coffee and brunch, Show and Tell, and much more.

Hope to see you there!!  
Elena Andrade

## Sampler Group

The Sampler Group is a special interest group in the Dallas Needlework and Textile Guild dedicated to learning about and stitching newly designed samplers or antique reproductions. The group meets monthly on the third Thursday of each month from 10:00 until 2:00 at Church of the Holy Communion. The next meeting will be Thursday, September 18. Please bring your lunch and join us for a fun day of stitching. Anyone interested is welcome.

The group will focus on the topic of Spot Samplers dated from the 17<sup>th</sup> and early 18<sup>th</sup> centuries during this year. Members who choose to participate will stitch a small sampler with examples of spot motifs. We are looking forward to learning about a topic of historical importance and stretching our practice of new skills.

## Regional Representative

2025 EGA National Seminar is being held in Dallas at the Anatole hotel November 11th-16th. Please sign up as a volunteer to help out. There are many opportunities available. It will give you a chance to see what it is all about, see next years classes, shop in the vendors pop-up booths and meet lots of fellow stitchers. Check out all the action at: [Needlework Faire: EGA National Seminar 2025 | Embroiderers' Guild of America](#)

There will also be chances to help Jo Ann Jackson with preparing the registration packets for all who attend (over 400). She is the national registrar, and it is a big job! Let's help her out when asked!

2026 SCR Regional Seminar will be held in Dallas August 12-15th and is being sponsored by Greater Dallas. You can already sign up for classes! To do so go to [SCR 2026 Seminar | EGA SCR](#)

2026 National Seminar will be in Orlando, Florida, October 9-14th. You can see the projects for the classes ...not a picture, but the real thing...at the Dallas 2025 seminar.

## Programs

This year we will be reviewing some basics about EGA, stitching, and the tools we use. In September at the Welcome Coffee, I will briefly explain our position in EGA and the Region and how they are organized. October will focus on basic tools available to the stitcher. See you in September.

Jo Ann Jackson

## *Stitching Snippets*

The thimble evolved from ancient bone or leather finger protectors to the mass-produced metal devices of the 18th century, which revolutionized sewing and made thimbles accessible to everyone. The Romans used bronze thimbles, and John Lofting began large-scale production in England in 1695, leading to the widespread use of the tool. Thimbles also became popular as decorative collectibles, with various materials like porcelain and metal used for ornate items, and later plastic versions emerged in the 20th century.

### Ancient Origins and Early Materials

- **Prehistoric Thimbles:** The earliest known protective devices, used by mammoth hunters 30,000 years ago, were made of bone to help push needles through leather.
- **Roman Thimbles:** The earliest known thimbles were Roman and made of bronze, dating to the first century AD, with simple, bell-shaped designs.
- **Other Early Forms:** Other early forms found globally were made of bone, horn, and leather

## 2026 Retreat

Stitching Friendships Together is our theme for the 2026 DN&TG ReTreat January 21-25, 2026.

It will once again be held at Tanglewood Resort on Lake Texoma. You will find the registration form in this newsletter.

Registration and deposit will be due by October 9, 2025 with final payment due on December 11, 2025.

Your committee has already started planning for the week and hope to have a great turnout.

We have decided to have a silent auction this year with the funds collected to be donated to GiGi's Playhouse, INC. Their purpose is to change the way the world views Down Syndrome and to send a global message of acceptance for all.

If there are any items available for donation, please provide that information to Chris.

**Look for the registration form near the end of the newsletter.**

## Award Winners

TO: Carol Wallin, Region Director, South Central Region

RE: 2025 Gold Thread Region Winner

It is my honor to inform you that **Paige Guillory** is the South Central Region Winner of **The Gold Thread Award**. Paige Guillory is a member of the Dallas Needlework & Textile Guild of EGA in your region.

We would like to congratulate Paige on her amazing work to achieve this award. And we thank you for all the submissions from your region.

Respectfully,

Deborah Berger  
EGA National Director of Education

### SCR Heart in Hand Award

**Lisa Thompson** has been a member of our chapter and EGA for a little over two years. In that time, she has participated in all aspects of our chapter education, learning new techniques and finishing the projects. She has assisted in the Stitch in Public Day for the chapter and the Stitching at the State Fair. She assisted the committee coordinating our chapter ReTreat last year. She has taken on the job of Assistant Workshop Chairman, learning what is involved in running workshops, and attending and finishing the various workshop projects this year. She was just installed as the Workshop Chairman for the coming year and is coordinating two upcoming workshops this fall. She is always willing to take on a new challenge and is a great asset to the chapter, including helping the 2025 National Seminar Committee.

Congratulations to all our members who entered pieces in the Texas State Fair this year! DNTG members who participated include **Jo Ann Jackson, Gail Manning, Bette Baty, and Michelle Kocurek.**

Entries featured **needlepoint, cross stitch, embroidery, appliqué, and beading**—a beautiful showcase of our members' talent and dedication.

**Congratulations to all!**

## EGA's Special Interest Groups

Are you feeling like you don't know anyone interested in the same embroidery techniques as you? Would you like to get more connected to EGA members across the country who share your interests? Consider joining one of EGA's online special interest groups (SIGs).

Special interest groups are a community of stitchers wanting to do a deeper dive into a particular technique. Historically, chapters would form small hubs of people who would meet in person usually outside of the regular monthly chapter meeting. Using Zoom has given our EGA groups the ability to meet virtually.

If you would like to connect with others on any of the following techniques and are available at the times shown, please send an email to the indicated contact with the technique name in the subject line.

## Dallas Needlework & Textile Guild Turns 50!

Dallas Needlework & Textile Guild (DNTG) is celebrating our 50<sup>th</sup> anniversary this year. In 1975, twenty-five women held an open house at City Park in downtown Dallas to recruit new members by showing the public different types of needlework. With the addition of several new members, the officers applied to become the Dallas chapter of the Embroidery Guild of America. In January of 1976, DNTG became an official EGA chapter. Over the years, our chapter has continued to grow and we now have over 165 members including Gwen Gibbs, the only remaining charter member.

The theme *“Texas Wildflowers and Dragonflies”* was announced at the May luncheon. There’s lots of ways for members to participate this year.

- DNTG members will receive a special gift at every general meeting or 1<sup>st</sup> Plano satellite meeting
- A “Texas Wildflowers” stitch-a-long will be published in the newsletter through February
- Members can order projects designed for DNTG’s anniversary – see the order form in this newsletter for more information (last order date is Oct. 9<sup>th</sup>)
- Presentation of “Protecting the Twelve” animals to the Dallas Zoo in December
- Final celebration at the May luncheon with door prizes

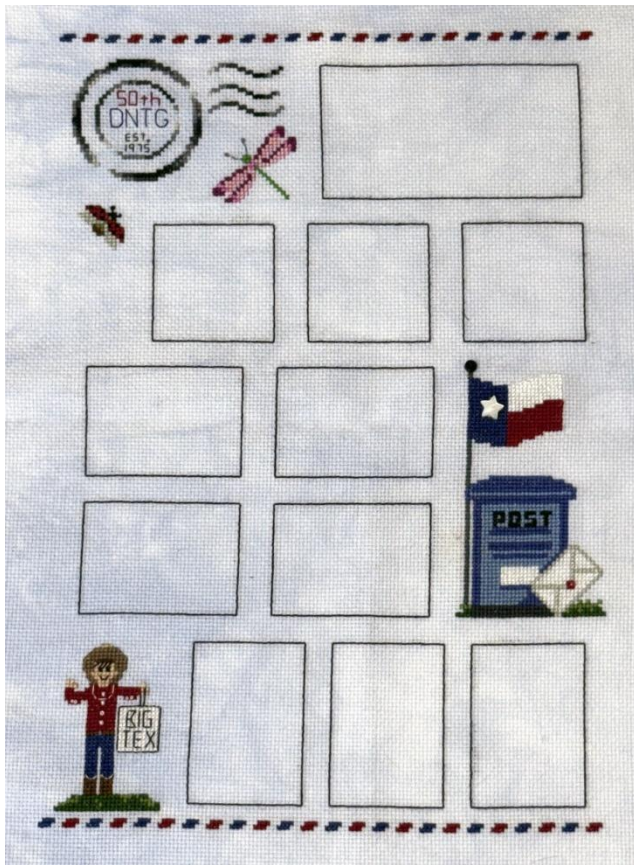

Help us celebrate our 50<sup>th</sup> anniversary this year!

Your 50<sup>th</sup> Anniversary Committee – Paige Guillory, Michelle Kocurek, Jo Ann Jackson, Judy McGraw,  
Elena Andrade, Valorie Russell and Cyndi Scott
