

Audra Kennedy's *Initials* Workshop Surface and Ribbon Embroidery April 27-28, 2023

Each student will choose their initial prior to class. The designs will be drawn by the instructor onto handkerchief weight linen with a fusible backing. Since every letter has 5-7 flowers in common, those will be the focus of the first day of class. I will also discuss color selections, stitches required, and how to customize the letter if they wish.

The second day will be spent continuing learning the basic flowers and adding those unique to each person's letter.
