From the President

Hey, Ya'll! What a joy it was to see so many people at our Welcome Coffee!! It was so great to see not only new people, but people we haven't seen since before the pandemic. We haven't had that good of attendance in a long time. Thanks so much for coming out!

As I mentioned last month, I am trying to simplify things, so we are changing the format for some of our meetings. We are only required by our bylaws to have 5 business meetings during the year. We have our Welcome Coffee in September to set the year. In January, we must select the nominating committee. In March we will review officer recommendations. In April, we elect officers and in May, they are installed. All other months, we are not required to have a business meeting. With that in mind, we will only make announcements, have our program, and do Show and Tell during the other months.

At our meeting, our newsletter chairman, Elena Andrade, did a survey about the newsletter. You may see some changes in it going forward.

Starting next year, EGA will be increasing their dues. They have not increased their dues since 2012. Our current dues are \$39 for nationals, \$5 for regional and \$20 for DNTG, for a total of \$69. New dues will be \$55 for nationals, \$5 for regional and \$20 for DNTG, for a total of \$80. In May, EGA will begin collecting the new dues. They will also be introducing new payment methods online directly to them. At this time, we don't have details of how this will work. Be on the lookout for information regarding dues payment going forward.

Well, I promised to keep my articles short, so I really must stop here. But one more quick question, before I go, have you started stitching all your holiday gifts yet?

Take care,
Randy

Sampler Group

The Sampler Group is a special interest group in the Dallas Needlework and Textile Guild dedicated to learning about and stitching newly designed samplers or antiques which have been reproduced for duplication. Members also enjoy stitching sampler related small items such as needlebooks, pincushions, and miniatures. The group meets monthly on the third Thursday of each month from 10:00 until 2:00 at Church of the Holy Communion.

The next meeting of the Sampler Group will be held on Thursday, October 19, 2023 from 10-2 at the Church of the Holy Communion. We will continue to share our knowledge and love of samplers and our study of Quaker samplers in particular. Anyone interested is welcome.

At our September meeting we discussed the beginning dates of the Quaker movement and a little about their beliefs as related to dates and inscriptions on early Quaker samplers. In subsequent meetings we will examine early and later Quaker samplers for comparison, learn where they were stitched and by whom, and where existing examples can be seen today.

Each member is encouraged to challenge herself to incorporate a Quaker design into a stitched piece...anything from a full sampler to a small pin keep. Finished pieces will be displayed at the Spring Luncheon in May 2024. Please make plans to investigate Quaker patterns and select one that is of interest to you. The group will appreciate any information you learn while researching your project.

Sampler Group Chairman

We are also happy to announce that a Stitching Room will be provided again this year for early arrivals on **Tuesday, January 16th**!
